

New on this website
DPK photo competition ...

Concurrently with the DPK's photo competition in the yearbook, which remains unchanged, there will be a competition on this website.

MANY people sends photos to DPK (thank you). Therefore the Club wants to honour the three best "Pointer photographers" with, respectively 3 to 2 and 1 with a bottle of wine.

In this way the Club hopes to encourage even more people to take photoes of Pointers in many different situations.

Internet / website has several obvious advantages ... it is free to publish photos compared to the printed media - we can bring color photos and the interface on the web is world wide!

Judges in the competition will be DPK's members - **one vote p. member ***
All the participating photos (starting week 18 - 2008) is to be found on menu link "SIDSTE NYT" (Latest news at the top) or directly here!
